Other Recommendations: _____

Thank you for allowing CMPD Officer _____ to conduct this security survey on your home. Please find the attached sheet with safety and security recommendations on how to better secure your home and valuables. All items above are further explained in detail on the recommendation sheet. Crime Prevention is a vital part of fighting crime and is included in the CMPD Mission Statement. Keep in mind that no home is completely burglar proof, but through proper education and target hardening, the risk just might outweigh the rewards. By completing this Security Survey, both you and CMPD have established a working partnership towards fighting and preventing crime. It is our hope that any recommendations given will be taken into consideration, to ultimately make our communities a safer place to live.
